Minutes of June 14th, 2007 Monthly Business Meeting

Location: Los Angeles County Building, 900 South Fremont Avenue, Alhambra

Call to Order and Host City: The business meeting was call to order by President of ICC-LABC, Tim McCormick, at approximately 12:00 p.m. There was no hoist city for this meeting.

Welcome and roll call of board members in attendance: The roll call of Board Members: Present were: President, Tim McCormick, City of Santa Monica; Treasurer, Steve Ikkanda, City of Los Angeles; Secretary Roy Itani, County of Los Angeles; Past President, Felipe Segovia. Vice President Craig Johnson; City of Culver City was absent.

Self-introductions: Self-introduction of approximately 60 members and guests who were in attendance.

Tim McCormick announced his resignation from the Board effective July 2007 as he accepted a new career with County of Monterey.

Approval of minutes of previous meeting: The minutes of May 10, 2007 was unanimously approved.

Status Report from ICC:

Dennis McCreary from ICC reminded the members on the printing of the 2007 CBC and should be available by the first week of July. He also discussed the new special inspection program for anchors and wood construction and additional information will be posted on the ICC website.

Report from Officers and Committees:

On behalf of Hassan Alameddine, chair of the Education committee, Mr. Mazen Dudar from County of Los Angeles confirmed the upcoming July 11 and 12 training seminar titled "2006 IBC detailed occupancies and allowable areas" and distributed a list of future seminars. In addition, Mr. Dudar reminded all members to participate their staff in those seminars.

Mr. Truong Q. Huynh, city of Long Beach and chair of ICC LA Basin Chapter structural committee, updated the members on the progress of his committee and scheduled to commence reviewing Chapter 23 of the 2006 IBC. He also encouraged members to join the committee due to the amount of work and research the committee is handling. A report will follow in the future to include package of recommended structural amendments to the upcoming 2007 California Building code.

Program: 2006 IBC- Structural Provisions, Presented by Martin W. Johnson S.E., Director of Structural Engineering of ABS Consulting, Inc. & Past President of SEAOSC

The presentation was structured to highlight in details the major changes of the upcoming 2007 California Building code based on the 2006 IBC model code structural provisions in particular Chapters 16 and 17. Mr. Johnson presented an outline highlighting the fundamentals code changes section by section and explained some the changes that likely to impact the structural design of many buildings and structures. Mr. Johnson focused on the new seismic provisions based on NEHRP standards. He went on to highlight the new ASCE provisions referenced in the IBC and compared both documents pointing out some of the conflicts. Mr. Johnson also indicated that the electronic power point presentation would be e-mailed to all attendees.

Announcements: The next regular ICC LA Basin Chapter Monthly Business Meeting is scheduled on July 12, 2007, at 900 S. Fremont Ave, Alhambra, at the Alhambra Room.

Adjournment: meeting was adjourned approximately at 2:10 p.m.
