The current Chapter Board members, noted at the left, were voted in at the December 2007 Annual Installation Banquet at the Huntington Library in San Marino.

The Chapter had many informative monthly meetings in 2007 and held a record number of training classes; we are looking forward to building on that effort in 2008 with your help.

Monthly Business meetings are generally held the second Thursday of every month at the Los Angeles County Public Works Building in Alhambra. Please check the Chapter website at [www.icbolabc.org](http://www.icbolabc.org) for the latest meeting schedule and location.

Due to the recent change however, the January Monthly Business meeting will be rescheduled from Thursday, January 10<sup>th</sup> to Tuesday, January 22<sup>nd</sup> from 8:30 a.m. to 11:00 AM. Breakfast will be provided at no expense to the chapter members for this 1<sup>st</sup> meeting of 2008 in the Alhambra Room of the Los Angeles County Public Works building at 900 S. Fremont Avenue, Alhambra, CA.

The Board intends to reactivate existing committees as well as creating new committees. They are as follows:

1. Structural
2. Fire-Life Safety
3. Administration
4. Inspection
5. Disabled Access

We will be updating the set of correction sheets to meet the new California Codes. To achieve this goal and others, the Board needs help from you and your staff to serve on these committees.

The ICC Los Angeles Basin Chapter and the Los Angeles Regional Uniform Code Program have been instrumental in supporting and educating Building & Safety staff, construction and design professionals throughout the Los Angeles basin area. A Chapter is only as effective as its members, so please join us in serving your community!

Thank you and best wishes. We look forward to seeing you throughout the New Year!

Sincerely,

Craig Johnson  
President
